A Resolution in Support of the myFutureNC Attainment Goal

Whereas, BEST NC's mission is to unite an engaged and informed business perspective to build consensus toward dramatically transforming and improving education in North Carolina; and

Whereas, BEST NC recognizes that State and local agencies, policymakers, parents, educators, and business leaders all have a role in ensuring all students have access to high-quality educators and in eliminating barriers to their success; and

Whereas, the myFutureNC attainment goal of increasing postsecondary credentials to 2 million by 2030 and its objectives of aligning education and workforce, increasing access to lifelong educational opportunities, and improving preparation for education, career, and life, all align with BEST NC's vision of a North Carolina in which every student graduates with the knowledge, skills, and behaviors to succeed in a competitive global economy;

NOW, THEREFORE BE IT RESOLVED

That BEST NC supports the myFutureNC attainment goal, which if realized will benefit the students, educators, families, communities, and businesses of our great state.
