

**Resolution to Support the *myFutureNC* Attainment Goal**

WHEREAS, the *myFutureNC* Commission (the Commission) was chartered to involve the leaders of the education, business, philanthropy, faith-based and non-profit communities from across North Carolina in developing an educational goal for our state, and

WHEREAS, the Commission has concluded that North Carolina should have a goal that 2 million North Carolinians will have a high-quality post-secondary degree or credential by 2030 (up from 1.3 million today); and

WHEREAS, Regional Partnership Workforce Development Board is committed to helping employers in our Local Area meet their workforce needs while helping job seekers and youth find a rewarding career pathway; and

WHEREAS, most jobs in the Local Area served by Regional Partnership Workforce Development Board that pay a family sustaining wage require some type of education and training beyond a high school diploma; and

WHEREAS, the Regional Partnership Workforce Development Board, along with partners through NC Works, help advance the skill and educational attainment of workers in North Carolina.

WHEREAS, the Regional Partnership Workforce Development Board agrees that North Carolina faces a gap, between attainment of, and the projected need for citizens with post-secondary degrees or credentials.

**NOW THEREFORE BE IT RESOLVED** BY THE Regional Partnership Workforce Development Board as follows:
