

Resolution to Support the myFutureNC Attainment Goal

WHEREAS, myFutureNC is a statewide non-profit organization focused on educational attainment and is the result of cross-sector collaboration between North Carolina leaders in education, business and government; and

WHEREAS, The myFutureNC Commission has concluded that North Carolina should have a goal that 2 million North Carolinians will have a high-quality credential or postsecondary degree by 2030; and

WHEREAS, Open Way Learning is committed to helping build cultures of authentic, learner-centered innovation in more schools, for more students, especially those who have historically been the furthest from opportunity.

WHEREAS, Open Way Learning, along with other key partners, will help advance the educational attainment of students in North Carolina by developing, highlighting, sustaining, and scaling cultures of innovation that blur the lines between traditional “doing school” and real world, experiential learning that better prepares students for the realities of the 4th Industrial Revolution.

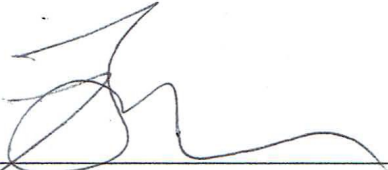

WHEREAS, Open Way Learning agrees that North Carolina faces a gap between the projected needs for citizens with high-quality credentials or postsecondary degrees and the attainment of those high-quality credentials or postsecondary degrees.

NOW THEREFORE BE IT RESOLVED, THAT:

Open Way Learning supports the attainment goal of myFutureNC that 2 million North Carolinians should have a high-quality credential or postsecondary degree by 2030; and

Open Way Learning along with leaders in business, education, state and local government, and community organizations will continue to foster partnerships to achieve the goal.

Adopted this the 15th day of December, 2020 by Open Way Learning, a national, North Carolina based non-profit.
