WHEREAS, myFutureNC is a statewide non-profit organization focused on educational attainment and is the result of cross-sector collaboration between North Carolina leaders in education, business and government; and

WHEREAS, The myFutureNC Commission has concluded that North Carolina should have a goal that 2 million North Carolinians ages 25 to 44 will have a high-quality credential or postsecondary degree by 2030; and

WHEREAS, SAS is committed to support a statewide education attainment goal in North Carolina developed through the myFutureNC initiative.

WHEREAS, SAS, along with other key partners, will help advance the educational attainment of students in North Carolina by helping under-represented student and adult populations attain degrees and credentials needed for a rewarding career.

SAS supports the attainment goal of myFutureNC that 2 million North Carolinians between the ages of 25 and 44 should have a high-quality credential or postsecondary degree by 2030; and
