

Resolution to Support the myFutureNC Attainment Goal

WHEREAS, myFutureNC is a statewide non-profit organization focused on educational attainment and is the result of cross-sector collaboration between North Carolina leaders in education, business and government; and

WHEREAS, The myFutureNC Commission has concluded that North Carolina should have a goal that 2 million North Carolinians will have a high-quality credential or postsecondary degree by 2030; and

WHEREAS, NC Public Health Association is committed to education.

WHEREAS, NC Public Health Association, along with other key partners, will help advance the educational attainment of students in North Carolina by working to improve the public's health through political advocacy, public awareness, professional development, and the interface between research and practice.

WHEREAS, NC Public Health Association agrees that North Carolina faces a gap between the projected needs for citizens with high-quality credentials or postsecondary degrees and the attainment of those high-quality credentials or postsecondary degrees.

NOW THEREFORE BE IT RESOLVED, THAT:

NC Public Health Association supports the attainment goal of myFutureNC that 2 million North Carolinians should have a high-quality credential or postsecondary degree by 2030; and

NC Public Health Association along with leaders in business, education, state and local government, and community organizations will continue to foster partnerships to achieve the goal.

Adopted this the 25th day of August, 2021 by NC Public Health Association.

Signed: _Katie Griffin, Executive Director, NC Public Health Association
