

Resolution to Support the myFutureNC Attainment Goal

WHEREAS, myFutureNC is a statewide non-profit organization focused on educational attainment and is the result of cross-sector collaboration between North Carolina leaders in education, business and government; and

WHEREAS, The myFutureNC Commission has concluded that North Carolina should have a goal that 2 million North Carolinians will have a high-quality credential or postsecondary degree by 2030; and

WHEREAS, PNC is committed to focusing on early learning to help children succeed. Research has shown that the first five years of a child's life are critical to long-term achievement, and PNC believes that an investment in pre-K students makes good economic sense and plants the seeds for the dynamic workforce of tomorrow.

WHEREAS, PNC, along with other key partners, will help advance the educational attainment of students in North Carolina by providing innovative opportunities that assist families, educators and community partners to enhance children's learning and development, particularly in underserved communities.

WHEREAS, PNC agrees that North Carolina faces a gap between the projected needs for citizens with high-quality credentials or postsecondary degrees and the attainment of those high-quality credentials or postsecondary degrees.

NOW THEREFORE BE IT RESOLVED, THAT:

PNC supports the attainment goal of myFutureNC that 2 million North Carolinians should have a high-quality credential or postsecondary degree by 2030; and

PNC along with leaders in business, education, state and local government, and community organizations will continue to foster partnerships to achieve the goal.

Adopted this the 1st day of June, 2021, by PNC.
