Resolution to Support the myFutureNC Attainment Goal

WHEREAS, myFutureNC is a statewide non-profit organization focused on educational attainment and is the result of cross-sector collaboration between North Carolina leaders in education, business and government; and

WHEREAS, North Carolina has the goal that that 2 million North Carolinians will have a high quality credential or postsecondary degree by 2030; and

WHEREAS, The County of Bladen is committed to providing the framework necessary for healthy and successful living as accomplished by focusing on the improvement of health, the care of children and families, the welfare of seniors, and the betterment of life for all ages; and

WHEREAS, The County of Bladen, along with other key partners, will help advance the educational attainment of students in North Carolina by supporting innovative and effective ideas and by monitoring our progress in order to improve our efforts and outcomes in the local educational attainment of Bladen County citizens to earn a high quality credential or postsecondary degree by 2030; and

WHEREAS, The County of Bladen agrees that North Carolina faces a gap between the projected needs for citizens with high-quality credentials or postsecondary degrees and the attainment of those high-quality credentials or postsecondary degrees. Now, therefore be it

RESOLVED that

The County of Bladen supports the attainment goal of myFutureNC that 2 million North Carolinians should have a high-quality credential or postsecondary degree by 2030; and

The County of Bladen along with leaders in business, education, state and local government, and community organizations will continue to foster collaboration to achieve the goal by developing an action plan, defining success with measurable outcomes, executing on the action plan, and sharing successful practices with MyFutureNC and peer communities.

Adopted this the 7th day of August, 2023.

ATTEST:

Maria C. Edwards, NCCCC
Clerk to the Board

Rodney Hester, Chairman
Bladen County Board of Commissioners
